

Skier triggered wind slab on Mt. Blackmore

Date

Sat, 02/26/2022 - 12:45

Activity

Skiing

Text to Alex, “Hey Alex, this is Jack Shonka, the MSU undergrad who was doing undergrad research last spring. This is a slide that was triggered today at Mt. Blackmore. Nobody was hurt but pretty wild!”

Region

Northern Gallatin

Location (from list)

Mt Blackmore

Observer Name

Jack Shonka
